

THE REAL SATANIC GNOSIS AGAINST FAKE “SATANIC” GNOSTICISM

by “Satanic Orthodoxy” greek internet texts in english
translation

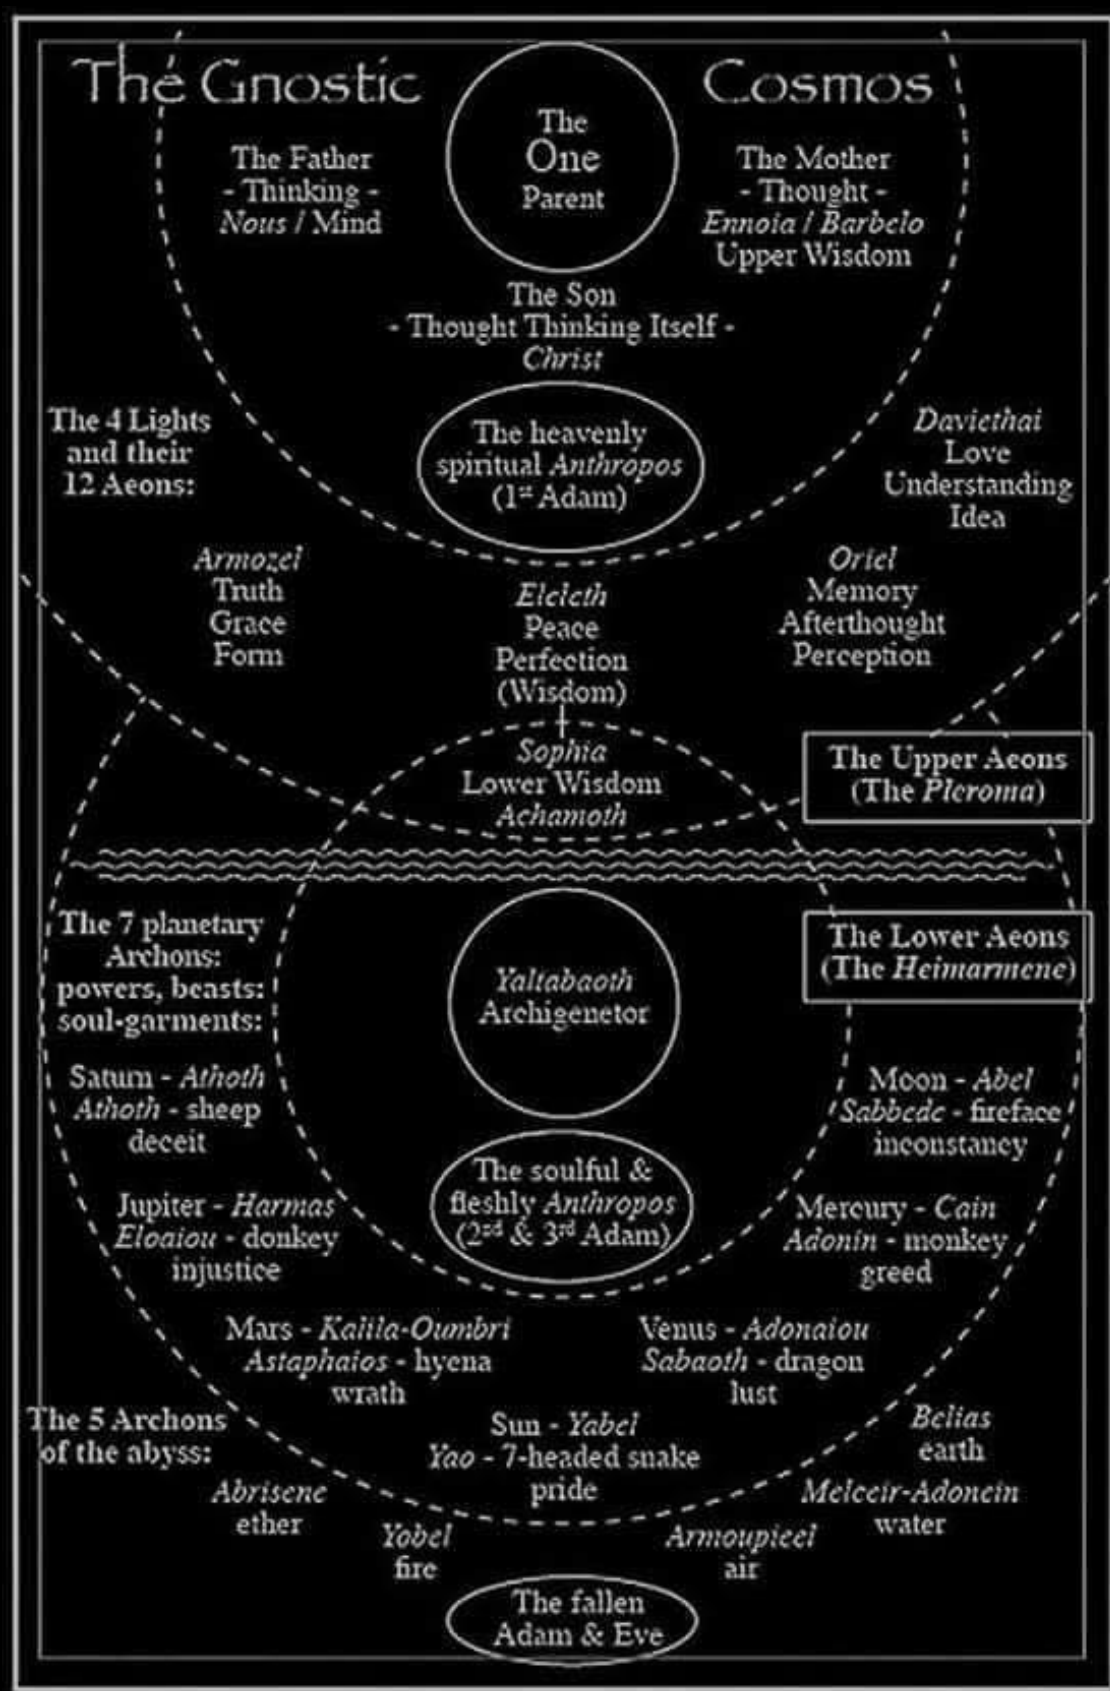

"I believe in a horned devil, a personified Satan. In my opinion all the other forms of Satanism are bullshit. I hate that some people think up idiotic ways of making eternal peace in the world and dare to call it Satanism, like so many do. Satanism comes from religious Christianity, and there it shall stay. I'm a religious person and I will fight those who misuse His name. People are not supposed to believe in themselves and be individualists. They are supposed to OBEY, to be the SLAVES of religion. ...I'm not going to give a list of true and false bands, people will have to judge for themselves and will probably get fooled a lot of times before discovering what's real and what's not. But know that it's not enough to put on some corpse paint to make a band. they must have the right spirit, and my way of seeing that is to listen to the music. Generally, if the band is so great that I almost start freezing on my back, I know thy have the necessary feeling for this. i accept nothing less than the greatest. I can also say that I will NEVER accept any band which preaches CHURCH OF SATAN ideas, as

they are just a bunch of freedom, and life-loving atheists,
and they stand exactly the opposite of me"

This summary writing gives only from religious texts and information (not from personal beliefs that everyone can say anything from his imagination such as a fairy tail and appear it as "Satanism" to the people), the real Satanic Gnosis against fake "satanic" Gnosticism that appears as Satanism, especially these days. After personal research, discovered that there are some religious groups that appears as "Gnostic Satanists" while they are Jewish Zionists or Gnostic Christians in fact, which either appear Biblical God fake as "Satan" or either this Biblical God (Jehova) as a lower(!) God existence than a higher who doesn't exists nevertheless (as Ophites say but they are not Satanists also, because are Gnostic Christians in fact), because this "higher" God is Biblical Jehova with Jesus Christ in fact! Look for example a Gnostic Cosmos map to take that proof:

As we saw at that map of Gnostic Cosmos, this higher existence God of Gnostic Christianity is Biblical God Jehova in fact and not Satan or the lower Yaltabaoth is Jehova as Gnosticism (Christian or Satanic) propaganda says, because we see Jesus Christ under that higher God (The One Parent) as his son, like the Bible says also from this text for example, that Christ is the son of Jehova and one of the three faces of him (the other is Holy Spirit):

New Testament, John chapter 5: 45 Do not think that I will accuse you before the Father; your accuser is Moses, on whom you have set your hope. 46 If you believed Moses, you would believe me, for he wrote about me. 47 But if you do not believe what he wrote, how will you believe what I say?’

Also see here (Jesus and Biblical God Jehova are the first and the last as the same God):

New Testament, Revelation chapter 1: 17 When I saw him, I fell at his feet as though dead. But he placed his right hand on me, saying, ‘Do not be afraid; I am the first and the last, 18 and the living one. I was dead, and see, I am alive for ever and ever; and I have the keys of Death and of Hades.

Old Testament, Isaiah chapter 44: 6 Thus says the Lord, the King of Israel and his Redeemer, the Lord of hosts: I am the first and I am the last; besides me there is no god.

Old Testament, Genesis chapter 1: 1 In the beginning when God created the heavens and the earth, 2 the earth was a formless void and darkness covered the face of the

deep, while a wind from God swept over the face of the waters. 3 Then God said, ‘Let there be light’; and there was light. 4 And God saw that the light was good; and God separated the light from the darkness.

So as we read, there is no other higher God exists than Biblical God Jehova with his son Jesus Christ as Gnosticism propaganda says (Christian or Satanic), because this higher is Biblical God in fact and this Jehova is not a lower God or Satan who is different from Jesus Christ as this propaganda also says. He is the First God (Jehova/Christ) in existence as we see and here:

TREE OF LIFE = TEN SEFIROT

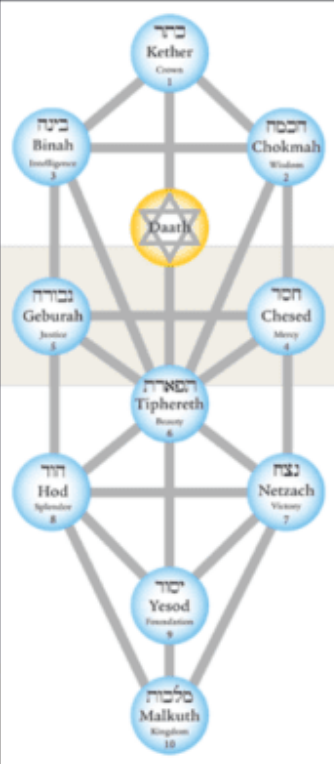

The **TEN SEFIROT** are the Ten Channels of **DIVINE ENERGY** or **LIFE-FORCE** from the **FIRST GOD**.

This **TEN SEFIROT** structure is the Foundation of **MESSIANIC KABBALAH WISDOM**. The **ZOHAR** called this **TEN SEFIROT** the **TREE OF LIFE** as written in the **BIBLE**. GEN 2:9, REV 2:7, 22:2, 14

But Kabbalah inform us that the created Earth of Biblical God was Spiritual at the beginning and before the Fall of Satan from there (Paradise) and not material! Look here:

- The "season" before the Fall of the Proto-Plates Humans (Adam and Eve) is represented by a Tree very different from what is found in most contemporary Kabbalistic texts. This shape also consists of ten spheres and twenty-two paths, but it does not contain Malkuth. Instead, Daath is fully in the Middle Column, near the Three Higher Sephiroth, and represents the superior, spiritual knowledge where the wisdom of Chokmah and the understanding of Binah were united. It was the secret Black Sun that shone near Kether's crown and was ruled by Archangel Sa'el or Lucifer, beyond the inferior Yellow Tiphareth Sun that Michael ruled.

The shape of this Tree, perfectly symmetrical, reminded this of a diamond, consisting of three different planes, corresponding to the three higher than the four worlds of Kabbalist, the divine world of Atziluth, the middle world of Angels Briah, and the astral world of Yetzirah . The material world of Assiah, represented by Malkuth, did not yet exist, while the house in which the Protoplastes (Adam and Eve) lived was the Yesod sphere in the lower part of the astral. But then, Yesod was Kether's exact reflection, and the Protoplasts lived "in the likeness and image" of God, fulfilling the fundamental hermeneutical phrase "as above and below". This ideal situation was perhaps the cause of the envy of Lucifer, leading to his betrayal. Later, when the protoplasts eat the forbidden fruit of knowledge, they are expelled from Eden to dwell on the earth. This is how Sephira Malkuth is created, and the human spirit enters the cycles and processes of the material world. The Sun of Daath loses its clear light, and Sa'el, whose name once took part in the secret name Semhamphorash, received the letter ma by the word maveth (death) and as Samael was thrown into the void along with his followers.

But after the fall of Satan/Lucifer or Samael (another Hebrew name of Satan or Diabolus), Satan was removed from the source of Biblical God's eternal energy and without that energy would have come the End or Death of Satan. But Satan, trying to avoid this End, made a clever move to become immortal for ever. Knowing the codes of Biblical God's Demiurge, make (a second demiurge) then this material Earth (the Falling world from Paradise) that we are living today, converting the inorganic material of Biblical God's demiurge into organic and put (trapped) the Image of God (the eternal energy of Biblical God Jehova) into this second demiurge. So after the birth of every human or animal or plant here in this Falling Earth in which we are living today (after the Fall of Adam and Eve from Biblical God's Paradise) this eternal energy of Biblical God recycled again and again and feed eternally with this way the Satan and the Fallen Angels (Demons) who followed him after their removed from Paradise, as a Vampire! In that way, Satan made also humans to serve him (2nd Adam as we saw in the map of Gnostic Cosmos before), in the likeness of him but in the Image of Biblical God for feeding Satan with energy eternally as we said. Here are the religious proofs through the Apocryphal book of John (myths like Annunaki or Demons of Satan in Ancient Sumeria told us the same demiurgical thing):

The Gnostic Yaltabaoth, «Child of Chaos»

“And when she saw (the consequences of) her desire, it changed into a form of a lion-faced serpent. And its eyes were like lightning fires which flash...And she called his name Yaltabaoth”

– The Apocryphon of John

“Now the archon who is weak has three names. The first name is Yaltabaoth, the second is Saklas, and the third is Samael”

- The Apocryphon of John

- Yaldabaoth said to his subordinate demons:
“Let’s create a man according to the image of God
And our own likeness
So that his image will illuminate us” -The Apocryphon of John

That Yaltabaoth, which means Ilda, child, Baoth, chaos
was cast off from his mother Barbelo, he learned of
independence and reliance upon the self

“And when the light had mixed with the darkness, it
caused the darkness to shine.
And when the darkness had mixed with the light, it
darkened the light and it became neither light nor dark,
but it became dim”
– The Apocryphon of John

Here we see the significance of darkness, and the hidden
fire of self knowledge and that Samael mixed both to
beget his creations. This is the model of the sorcerer that
by Will and Desire does become able to create
accordingly. Here we are able to read that the Fire of
Heaven was taken from Barbelo and used by Yaltabaoth

“This is the first archon who took a great power from his
mother. And here moved himself from her and moved
away from the places in which he was born. He became
strong and created for himself other aeons with a flame of
luminous fire which (still) exists now”
– The Apocryphon of John

Yaltabaoth was able to create other spirits as well, such
as Belias, Cain and others. Saklas, as is one of his many

names understood the leverage of power which came from within, and how to change his shape to be beautiful and angelic, that the other angels would hear his voice. Yaltabaoth, who is known as Lucifer, could speak unto them that they may hear him, and that Blackened Fire within could be sparked within them as well. As written in the Apocryphon of John

“But Yaltabaoth had a multitude of faces, more than all of them, so that he could put a face before all of them, according to his desire,

when he is in the midst of seraphs.

He shared his fire with them; therefore he became lord over them. Because of the power of the glory he possessed of his mother's light, he called himself God. And he did not obey the place from which he came. And he united the seven powers in his thought with the authorities which were with him.

And when he spoke it happened”

-The Apocryphon of John

Here we see that Lucifer first awoke the other angels that they saw not only his brilliance, but that fire within them was awakened. He called himself a God, that which recognized its self-divinity and his power to create. Thus here we find that initially Yaltabaoth was the most powerful archon, much like his earlier form of Ahriman, the Adversary. In darkness did he discover his light; the world he sought to create. Humanity was given this fire by Samael, who came unto the earth initiated the spark of the flame of self-knowledge. The Devil as he is called later, mingled with both darkness and light; held within a

light brighter than any mere angel, yet devoured those before him who were lost in self righteousness.

So Yaldabaoth as we saw and in the map of Gnostic Cosmos earlier, was that lower existence God (the second Demiurge of our material world here in Falling from Paradise Earth that we are living today) and not the Biblical God Jehova (who was the First Demiurge of Universe in fact) as the Gnosticism (Christian or Satanic) propaganda says. We read also that Samael was a name of Yaldabaoth and the Hebrew Zohar inform us that Samael is Satan (the God of our physical world as Amalek) and not the Biblical God Jehova:

- Zohar, Genesis, Chapter XIII, 28b-29a

Many impurities exist in Israel and are as dangerous and noxious as snakes and serpents. There are those that originated at first from the tempter, also those of idolators who resemble the wild animals and savage beasts of the field. There is also the impurity arising from

wrongdoing in daily life and still more, the impurity of the evil-minded. All these are found afflicting Israel, yet is there no greater impurity than that of Amalek or that personified evil called and known as «The God of this world.» It is that «which poisons all within and hardens all the feeling.» It causes the death of the soul and transforms it into an idolater, a worshipper of the world and its golden image of wealth. Its occult name is Samael, «The poison God.» Though Samael was the name of the serpent that tempted and seduced Adam and Eve, yet are they one and the same and are both cursed alike.

After all religious information, we understand then that the theological teaching which says that humanity must be liberated from this material slavery and their souls to come back to God, is Christian Gnosticism and not satanic! Such orders or groups in the Middle Ages like Bogomils and Cathars, said the same thing:

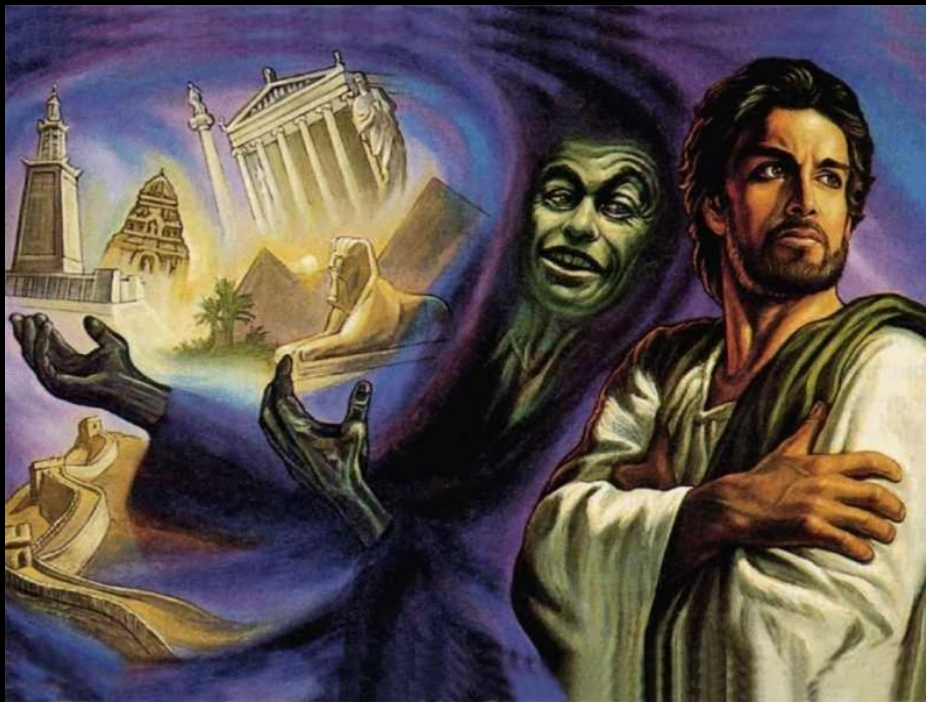

- The core of Cathar teaching was the idea that in the beginning the perfect state of God's world was violently disrupted when Sethan or Satan stole the souls of some angelic beings and placed them in the bodies of people whom he had modeled on himself. According to the favorite book of the Curators "Les Questions de Jean":

"And Satan thought to make men to serve him, and took lime from the ground, and made man similar to him. And he ordered the angel of the second heaven to enter the body of lime. And he also took a piece and made another body with a female figure and ordered the angel of the first heaven to enter it. The angels were weeping

very much when they saw themselves imprisoned in such mortal forms

- The Devil was saying he was the firstborn of God, his eldest son. God showed greater favor to his newest son, Christ, and the Devil or Satan, as Bogomils called him, was jealous. He then rebelled and took with him one-third of the angels of Heaven on Earth. There he began to make an exact copy of the heavenly Creation of God, a second heaven for a second god. The Bogomilians therefore believed that anything that has to do with the world, here and now, was devilish.

But there are also and some Biblical texts and teaching that describe this truth, but with indirectly way so that Satan not to seem so strong as Biblical God. Here for example (this our Falling from Paradise World in we are living today is from Satan):

– Satan offered him all the kingdoms of the world and their glory. Jesus turned him down...

Luke 4, New Testament: 5 Then the devil led him up and showed him in an instant all the kingdoms of the world. 6 And the devil said to him, »To you I will give their glory and all this authority; for it has been given over to me, and I give it to anyone I please. 7 If you, then, will worship me, it will all be yours«. 8 Jesus answered him, »It is written, Worship the Lord your God, and serve only him”

Acts 26, New Testament: ‘’14 When we had all fallen to the ground, I heard a voice saying to me in the Hebrew language, “Saul, Saul, why are you persecuting me? It hurts you to kick against the goads.” 15 I asked, “Who are you, Lord?” The Lord answered, “I am Jesus whom you are persecuting. 16 But get up and stand on your feet; for I have appeared to you for this purpose, to appoint you to serve and testify to the things in which you have seen me and to those in which I will appear to you. 17 I will rescue you from your people and from the Nations—to whom I am sending you 18 to open their eyes so that they may turn from darkness to light and from the power of Satan to God, so that they may receive forgiveness of sins and a place among those who are sanctified by faith in me”’

New Testament, 1 John chapter 2: 14 I write to you, children, because you know the Father. I write to you, fathers, because you know him who is from the beginning. I write to you, young people, because you are strong and the word of God abides in you, and you have overcome the evil one. 15 Do not love the world or the things in the world. The love of the Father is not in those

who love the world; 16 for all that is in the world—the desire of the flesh, the desire of the eyes, the pride in riches—comes not from the Father but from the world. 17 And the world and its desire are passing away, but those who do the will of God live for ever.

New Testament, James chapter 4: 4 Adulterers! Do you not know that friendship with the world is enmity with God? Therefore whoever wishes to be a friend of the world becomes an enemy of God.

- Jesus Christ referred to Satan as "the ruler of the world, "to whom mankind generally obeys by paying attention to his appeals for contempt of God's demands. (John 14: 30; Ephesians 2: 2). The Bible also calls him the "god of this system of things", who is honored with the religious actions of the people who support this system.-2 Cor 4: 4; 1 Corinthians 10:20.

Revelation 13: 1, 2 reveals that Satan gives "power, throne and great authority" to the global political system of government. The verses of Daniel 10:13, 20 show that Satan had put demonic rulers in the main kingdoms of the earth. Ephesians 6:12 refers to them as "the governments, the powers, the cosmocrats of this darkness, the evil spiritual powers in the heavenly places."

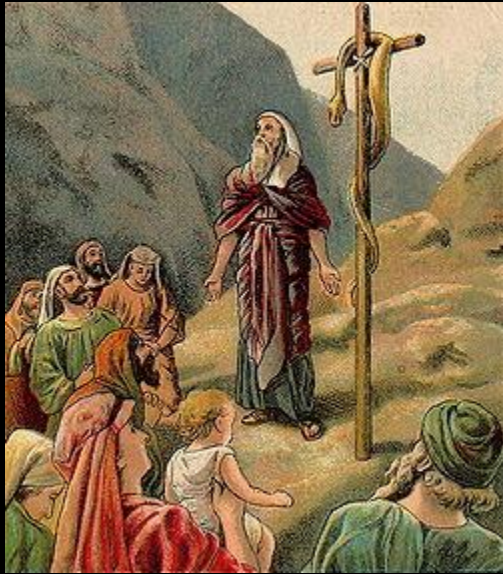

It is not a matter of wonder that paragraph 1 John 5:19 says: "The whole world is in the power of the Satan"

So, as we understand, the Gnosticism teaching that says to destroy this material world (which is from Satan as we saw), is benefit Biblical God in fact and not Satan (which need it for feeding eternally with energy from Image of

Biblical God inside it, as we described). For that reason exactly will come again the Jesus Christ to destroy this Falling from Paradise world of Satan in we are living today and make an another new spiritual in a new heaven and earth:

New Testament, Revelation 21: 21 Then I saw a new heaven and a new earth; for the first heaven and the first earth had passed away, and the sea was no more. 2 And I saw the holy city, the new Jerusalem, coming down out of heaven from God, prepared as a bride adorned for her husband. 3 And I heard a loud voice from the throne saying, 'See, the home of God is among mortals. He will dwell with them; they will be his peoples, and God himself will be with them; 4 he will wipe every tear from their eyes. Death will be no more; mourning and crying and pain will be no more, for the first things have passed away.'

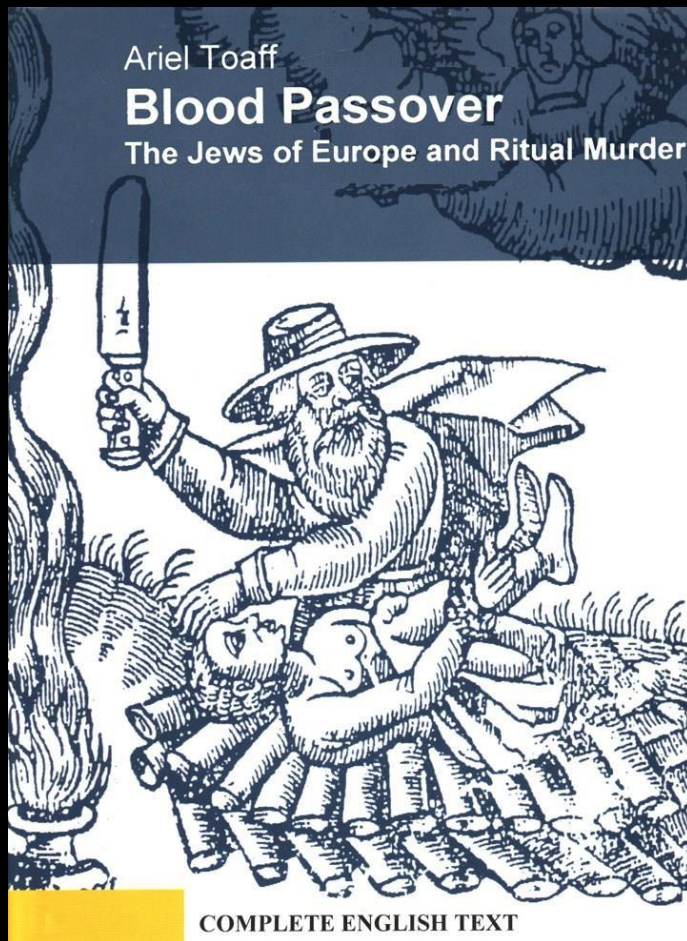

The material destruction of our satanic Falling from Paradise world that we are living today, as human sacrifice (destruction of material human body) serves also Biblical God and not Satan:

- As the Israelites were saved from death when they gazed at the bronze snake that Moses had raised in the wilderness, so those who believe in the Messiah Jeshua, raised on the cross as a sacrifice of sin, will be saved from condemnation (John 3: 15). The word "altar," in Hebrew, means a high place. The sacrifice had to be raised upon the raised altar (Lev 9: 22). The rise of the Messiah on the cross, as our sacrifice, refers to this process: "And as Moses raised the serpent into the wilderness, so shall the Son of Man be lifted up" (John 3:14). "Because the life of the flesh is in the blood. and I gave it to you, to make atonement for your souls upon the altar. for this blood makes an atonement for the soul" (Leviticus 17:11). The idea of sacrifice was created in the mind of God and intended to provide a sin offering for sin so that people could approach Him. The sacrifices were to be offered as a representative and substitutive atonement for the sins of men, which were symbolically transferred to the animals that served to atone for and appease the wrath of God against the sinners (Lev. 1: 1-7: 38). In the beginning, Adam and Eve enjoyed direct communion and fellowship with God, and they did not

need a sacrifice. But after their fall into sin, it was necessary for God to set up sacrifices, as a way in which sinners could approach Him. The first Biblical hint of sacrifice refers to Genesis 3:21, where God supplied a quibble to dress Adam and Eve after their fall. Although the text does not say that God has made atonement for their sins through an animal sacrifice, we must assume that he taught them this concept directly or indirectly through this sacrifice. Later, the Scriptures clearly teach that God can forgive sin only through the blood of a sacrificial sacrifice, because how else, apart from their parents, did Abel and Cain know to offer sacrifice before God?

Old Testament, Deuteronomy chapter 12: 27 You shall present your burnt-offerings, both the meat and the blood, on the altar of the Lord your God; the blood of your other sacrifices shall be poured out beside the altar of the Lord your God, but the meat you may eat.

Saint John the Goldsmith, also wrote in the greek book
“The Diabolous and the Magic” that:

"Because many of the most naive think that the souls of these, who die by violent death, become demons. This is not possible, it is not. For the souls of those who end their lives with violent death, but their souls living in sins do not become demons, not because their substance changes, but because their mood is similar to their own viciousness ... that the soul, coming out of the body, can not subdue the demons, he hears what Paul says: "Gar deceased is sinned," that is, " he who has died has ceased sinning" (Romans 6: 7), he does not sin anymore. Since, in other words, the devil can not practice violence in the soul that inhabits the body, much more can not do this

when it leaves the body. How then do they sin, says, if they are not being blackmailed? By their will and their decision, by giving themselves, not necessarily, nor oppressed by him. And this is proved by all those who have become superior to his artefacts. Job, that is to say, though he was very sorry for him, he could not persuade him to make a blasphemous speech. It is clear from this that it is up to us to obey and not to obey his advice and do not force us at all, but we are not under his tyrannical authority" (In Poor Lazon, 2nd Epis. 25,448 -450, PG 48, 983-984).

So, tyrannical is power of Satan (not libertarian) and the human sacrifice is also futile, because the man who dies is no longer sinning as long as he sinned alive and was giving power to the Satan in this way, so sacrificing all the people would eventually destroy Satan's power since no one would have been there to sin and God would have won against Devil)

CONCLUSION

So, the finally conclusion after this writing, is that when we are speaking for ‘Anticomic’ Satanism as Gnostic, we must be as Satanists ‘anti’ or against to the Biblical God’s Cosmos (the higher heavens of ours in this Earth that we are living today) and not in this material world of Satan that we are living, otherwise Biblical God is the one who benefits finally as we understand. In other words, we must be only in spiritual level anticomic Satanists in this world and not materially, because there is the Image of Biblical God inside it! That means, that

the Satanist then will turn into the Image of Satan if he kills the Image of God inside him (demonize himself) and the finally result will be “of likeness and of image of Satan” creatively. So, the complete Satanic Gnosis in Satanic or Diabolic Gnosticism must include all this religious informations of this writing here and not limited only in Chaos appearance of Satan in Universe B or Sitra Ahra with the Tree of Knowledge (Qliphoth) here, otherwise a misconception will be created about in which World must be against or anticosmic a satanic person. Finally, after this attack to the higher Cosmos of Biblical God (and not before), it will open then freely the way for Satan to come back to Chaos or Universe B (Sitra Ahra) that Gnostic Satanism teaching:

Temple of the Black Light (TOTBL) is an international temple dedicated to the Current 218 and its Anti-Cosmic Tradition of Luciferianism/Satanism. The Temple is a manifestation of, and expression for, the adversarial,

acosmic forces of the Nightside, and represents a new, wrathful form of Gnostic Left Hand Path.

The tradition represented by the TOTBL can best be described as the essence of Anti-Cosmic Gnosticism expressed through the sinister forms of traditional Diabolism. Within our tradition, the Dark Ones (Gods and Goddesses of Sitra Ahra) represent the anti-archonic impulse of the Deus Absconditus and the manifested aspect of the second and left emanation from the Ain Sof. Thus, for us, Satan-Lucifer is the first and highest manifestation of the Black Light.

Lucifer and Satan are two words that for us describe different aspects of one and the same spiritual force.

Satan means 'adversary', 'opposer' and 'accuser'.

Satan and Lucifer are therefore not two separate entities/gods/principals/powers, but one and the same essence of Spiritual Fire (Throne of South). The word Lucifer describes our father's effect on those of us who walk on the left hand path and are in harmony with his dark gnosis, while Satan is the word that describes our father's effect/reaction towards that which blots out the acosmic truth and those faithful and blinded slaves of the demiurge that walk on the right hand path of the White Light.

Lucifer-Satan is the Outer Eternal Black Fire whose reflection within the microcosm burns within us in the form of the Black Flame of Spirit. Lucifer and Satan are only two of the many words/names that are used within the Satanic/Luciferian tradition linked to the Firstborn of the Black Light. A few examples of other forms used within the pantheons of the dark traditions that represent the same illuminating and adversarial power we have linked with Lucifer-Satan are: Kingu, Apep, Set, Typhon,

Ahriman, Angra Mainyu, Shaitan, Surt, Loke, Exu Maioral, Samael, Lotan, Diabolus, Prometheus and Azerate, which is a word linked to the fullness of the anti-cosmic power of the night side.

These are 'The Three Powers (or Dark Veils) before Satan' and are within our tradition seen as the three Forces that came out of Ain Sof in order to make way for the manifestation of The Black Light in The Outer Darkness that became Sitra Ahra. These three powers can be seen as the Burning Trident held high above the Thaumitan/Two-headed Master of Thaumiel. These three powers can also be viewed as Wrathful Reflections of Ain, Ain Sof and Ain Sof Aur, and as the Three Steps from Sitra Ahra back to the womb of Tehom/Tiamat or to The Mystery Unmanifested (ie. The Primal Chaos). We view Sitra Ahra as 'The Universe B' or 'The Night side', NOT as the 'Night side of Eden', but as The Night side of Ain Sof's Emanation, established by The Black Light or The Left Light called 'Or She-ein bo Mahshavah', which means 'The Light Without Any Thought of Creation'.

The meaning of Universe A and Universe B within our tradition is the following: 'Universe A' = Universe of 1 or 10 (A=1, 1=10), which is the universe of Cosmic Order, Law, stasis and causality. As the 1=10 is the closed circle so is this Universe A closed and separated from the pandimensional divine power. 'Universe B' = Universe of 2 or 11 (B=2, 2=11), which is the Universe of the Counter Light or divine antithesis, lawlessness. This we see in the number of the letter B which is 2. And 2 is the number of Thaumitan/Thaumiel, the thesis and antithesis which create the synthesis (instead of the stagnation and stasis of the number 1), the broken circle/spiral leading back and connected to The

Unmanifested and The Pandimensional. 2 is also, in this context, the shadowless shadow and The Avenger or The Liberator of that which is bound by 1 (one) within the Universe A.

The Light of Lucifer is the Gnosis/Daath that is the Gate to Sitra Ahra, and in Sitra Ahra are the paths to The Mystery Unmanifested, beyond The Crown of The Dark Gods... This is also the goal of Satan himself; to destroy the restrictions/forms/manifestations of the Sefirotic emanations from Ain Sof, so that he Himself can also become free to return to The Womb of The Dragon. The YHVH (Demiurge) seeks separation from and manifestation outside the Ur-Kaos.

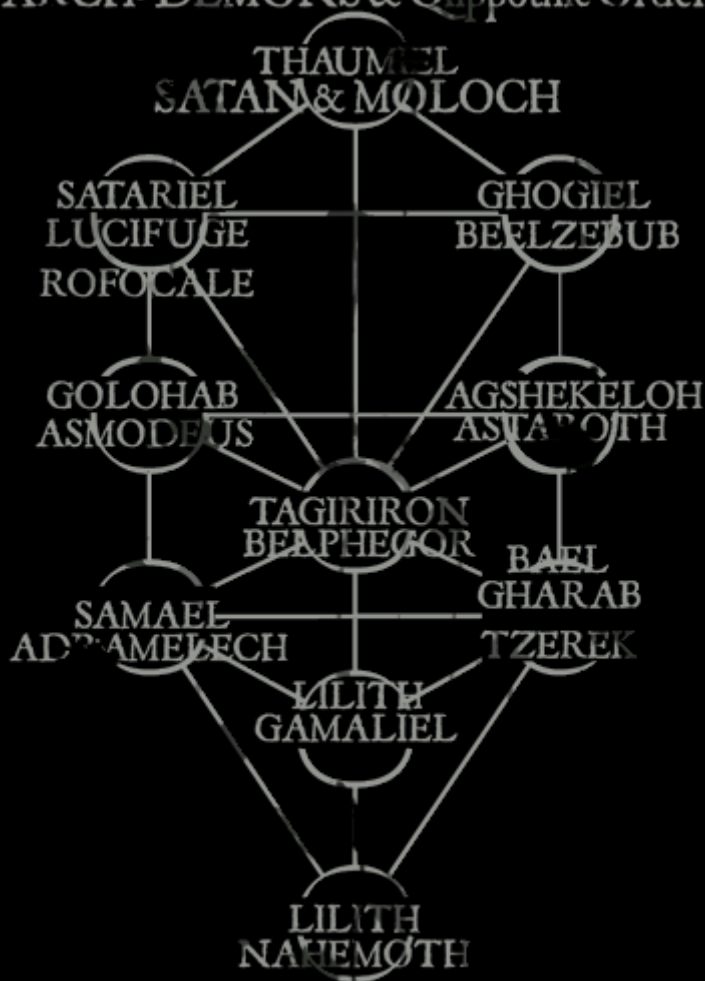

We who share this Will of The God Satan are Satanists and therefore Luciferians (Lucifer Is Satan). One can therefore say that 'The Three Dark Veils Before Satan' are the triple manifestation of The Wrathful Kaos (which emanated from Ain Sof), before the manifestation of the Kliffot and the Tree of Death. The essence of The Black Light manifests itself through these three dark veils of anti-existence within Thaumiel (the first Kliffa) as the Two-Headed God (or as 'The Twins of The Unmanifested God'). As for which head of Thaumiel is turned towards where, we sometimes say that Moloch is the one with his face turned down towards the lower Kliffot (and the world) and it is Satan who is looking back up to 'The Kaos Unmanifested', that he ever seeks to return to. We therefore say that 'The fires of Moloch burn before The Throne of Satan'. The fires of Moloch are the final cleansing for 'The Sitra Ahra Adept', before He/She gets to face The Master Satan/The First Head and The God of the Eleven fold Kliffot and Wrathful Kaos!

On an exoteric level Chavajoth's essence is the Nightside reflection of the Demiurge and therefore his antithesis. YHWH is the tetragramaton = «the name with four letters» which is the name of the demiurge within the kabbalistic system. The reflection/antithesis of all this in Sitra Ahra takes the form of the tetragramaton reversed = HWHY which according to some tradition is pronounced as «Chavajoth». This Chavajoth is the anti-cosmic god of the realm of Kliffot. Chavajoth is not only Satan but all the powers that runs through the four Dark Elements of the Night side. That is all the gods that exist on the different kliffotic planes that rule over the Shadow side of the physical, astral, mental and spiritual realms. Exoterically the Chavajoth is manifested through the Shadow Side of the number Four (4), but esoterically Chavajoths essence is manifested through the number 11, and this identify it as the same power or concept that is called Azerate. We view Sitra Ahra as «The Universe B» or «The Nightside, which means "The Light Without Any Thought Of Creation"».

ARCH-DEMONS & Qlippothic Orders

At the end of this writing, will be given now and some more informations about how this Tree of Knowledge or Death (Qlippoth) made with this Anticomic God Chavayoth or "Havayoth" also vibrate as "He Vau He Yod" (Jehova reversed or with the phrase "Diabolus est Deus Inversus"):

After the Fall of Satan from Paradise with the fall of Daath (as we saw in a photo earlier with the first Tree of Life of Biblical God without our material world or Malkuth yet), a vast Abyss is formed, separating the three superior Sephiroth Kether, Chokmah and Binah (in

the Tree of Life of Biblical God) from the rest of Creation. These three spheres now form an elongated triangle, at the center of which the strict eye of God oversees everything. Daath sinks into this Abyss, and a new Tree of Life is formed, asymmetric and incomplete. The fall of Sephira of Knowledge disturbed the balance between the Columns of Mercy and the Judgment. So Sephira Geburah, having lost the complete balance from Chesed, is unable to contain and channel effectively the Life Flame, which is poured out of the Tree of Life into another universe of existence that the Caliberist Secretariat calls Sitra Ahra, the Other Side.

The Universe was not empty. According to Zohar, before the present world God had once again tried to create life, but the result was inadequate. After the destruction of the preceding worlds, their remnants or "shells" remained, and with the disturbance of Balance, they were activated by the Light that was overwhelmed by Geburah leading to the creation of Kliftos, the antitheses of Creation, in which the Zohar assigns the deceased kings of Edom, the descendants of Esau who ruled Canaan before the descendants of Jacob claimed it.

But not all Kabbalah scholars agreed with the philosophy of the Fall. So Isaac Luria, like his disciples, believed that Sitra Ahra was formed by the "shevirat ha-kelim". As the light beam crossed the light as the lightning of successive emanations, the inferior of them could not restrain its strength and shattered. A part of the light returned to its source and was channeled into new, more resilient emanations, but 288 sparks were trapped inside the fragments, creating the shells of the Other Side. Nathan of Gaza once again thought that the moment when Ain Soph was born the desire of Creation, nature

itself was divided into two, with one part creating the universe we know, and the other creating the opposite to balancing it.

In almost all respects the Tree of Knowledge is an inverted reflection of the Tree of Life. It is also composed of ten spheres, and each Klifa is the dark equivalent of the corresponding Sephira. Its shells are organized into three columns and are divided into the four kalepical fields. The magician who will initially explore Klifoth will have similar experiences with the corresponding wand of the Right Path, initially going through the material world of Malkuth / Lilith in the astral kingdom of Yesod / Gamaliel. In the Sphere of the Sun, Tiphareth / Thagirion will experience the alchemical union with His Higher Self, the Holy Guardian Angel or the Inner Daemon respectively, and he will also be called when the time comes to dispel the limitations of his selfishness. This is because Abyssus also exists in the Tree of Death, albeit in a different way than in the Tree of Life, not as a bottomless gulf but as a river whose waters purify the soul of the master from everything that prevents him become divine.

Corresponding to the paths of wisdom, the Sitra Ahra shells are joined together by 22 paths, which in the bell-shaped Kampala are called Tunnel or Lepia of the Seth. Just as the globular spheres, these paths have their own correspondences, but they remained an unexplored mystery for the ascetics of esotericism until the beginning of the 20th century. It was in December 1907 when Aleister Crowley, after experiments he never fully mentioned, recorded the names and symbols of the 22 Spirit of Lepidopterus in Liber 231. Among the first to deal with this work was his collaborator Crowley at

OTO, Karl Germer. But their detailed presentation will be for the first time by Kenneth Grant at the legendary Nightside of Eden, where one by one is revealed the 22 Seth Tunnel and their notations based on both Crowley's work and correspondences with different philosophies and mythologies, even with figures from the field of fantasy literature, such as the Big Brothers of Lavrack! Grant's work completed the shape of the Tree of Death and formed the basis for all of the modern engagement with Cliff.
